RE: Kenton Johnson

To Whom It May Concern:

Interstate Baptist Association is comprised of over 70 churches covering not only the Metropolitan area of Portland, but also from the gorge to the coast. Our mission is to be available to assist our churches as needed.

Interstate Baptist Association has had the privilege and opportunity to work with Kenton Johnson ever since he moved to the area. For the past several years, he has served as Vice-Moderator. This voluntary position included serving on the Associational Leadership Council as well as ministering to the pastors on the east side of Portland.

Kenton has a passion for ministry. He has a servant's heart, and assists wherever needed willingly. His service to the association has been above and beyond our expectations.

It is without reservation that we recommend Kenton for any position.

Sincerely,
