To Whom it May Concern:

I am writing to recommend Kenton Johnson to you as a chaplain for your organization. I have known Kenton for 10 years. He is a faithful, sincere and dedicated to follow God's leading in his life.

Kenton has served in several leadership roles within our church, including helping to establish our church plant, Trinity Church, in the Damascus area. He has also served within our denomination giving help and encouragement to pastors. Kenton has a real heart for the community and for those who serve our community. You will find him dependable and committed to you and the people of your organization.

I am happy to recommend him to you. If you have any questions, feel free to call me at 503-667-1515.

Sincerely,

Keith Evans

Pastor, Greater Gresham Baptist Church
