Chaplain Kenton Johnson,

Congratulations on your completion of the Federation of Fire Chaplains "Essentials of Fire Chaplaincy". This course is designed to expose the learner to many aspects of fire chaplain ministry and provide a foundation for future training.

The following topics of study are included in the 16-hour Basic Chaplain institute:

- Foundations of Fire Chaplaincy
- Personhood of the Fire Chaplain
- Fire Chaplain Ministry to Firefighters
- Fire Chaplain Ministry to Crisis Victims
- Fire Chaplain Operations
- Confidentiality-HIPAA
- Employee Assistance Programs
- Chaplain Safety
- NIMS-Incident Command System
- Introduction to Critical Incident Stress Management
- Chaplain Response to Firefighter Injury or Death
- Delivering the Death Message
- Fire Department Funerals

The Federation of Fire Chaplains stands ready to support you in your privileged ministry as a fire chaplain by providing a network relationship with fire chaplains across the country. We also invite you to participate in further training opportunities at our Annual Conference and at regional training events, led by qualified FFC instructors.

Our challenge to you now is to continue improving your skills while providing the best service possible to your fire department. You are blessed to be serving in your place as a fire chaplain. May your department be blessed by your ministry.
